PROPANE GRILL INSTRUCTIONS

NOTE: It is recommended that you use a long grill lighter to avoid contact with hands. Always use in a well-ventilated area – OUTDOOR USE ONLY!

Be sure that all valves on the grill are in the OFF position.

Remove grates from the grill.

Connect propane tank and open valve.

Open regulator valves on the grill slightly.

Light each pilot bar – CAREFULLY!

Replace grates on the grill.

Turn regulator valves on the grill to desired setting.
